Mr. Peter Szijjarto
Deputy Minister of External Economy and Foreign Affairs
Budapest, HUNGARY

Dear Peter

Dear Minister Szijjarto,

I am deeply thankful to you for your role in arranging my last month meeting with His Excellency Prime Minister Viktor ORBAN.

Thanks also for the opportunity to meet with you and listen to your thoughtful advise.

I've enjoyed very much the meeting with the Prime Minister and you. I believe we can continue having fruitful dialog on both geopolitics as well as promoting of Foreign Direct Investments in your country and the proposed project with Renova.

I have sent a letter to H. E. Prime Minister Viktor ORBAN thanking him for the meeting and expressing my hope that we can meet again in Mid August 2014, preferably between the 10 to the 18 of August at any place and hour which will be convenient to the Prime Minister.

I have asked and will highly appreciate it if I can bring with me and introduce to the Prime Minister Mr. Viktor VEKSELBERG of Renova.

I think that in regard to a further meeting in Mid August, time is of essence and we should not miss it.
I will be glad to see you, personally participate in this meeting but I leave it for your decision.

When we met, you have mentioned you were still waiting for a second opinion from a Law Firm in Hungary. I will appreciate it if you can inform me whether this is already behind you.

Thanks again for your consistent help. It is highly appreciated.

Looking forward for your response.

Best regards,

yours
E. Barak
